ATTENDANCE REQUIREMENTS

- Usually the minimum rehearsal attendance required of members is 75% per concert.
- For the June concert, the requirement is to attend a minimum of 9 of the 12 rehearsals.
- There is flexibility in this requirement – it can be relaxed on a case-by-case basis, depending on the reasons for absence, for example illness or bereavement.
- Other events are optional but are also subject to attendance requirements.
- Rehearsals in the weeks immediately preceding concerts are particularly valuable and important.
- **The rehearsal on the concert day is essential.**
- If you are concerned that you may not be able to attend (or have already not attended) enough rehearsals to sing in a concert, please contact Sue Ready (07729 349713, s.ready@talktalk.net).
